All UACNJ Observers must be members of a club associated with UACNJ.

UACNJ presents an astronomy program to the public each Saturday in April through October from 8 to 10 PM. Special programs for scout groups, etc. are presented on other nights and the observatory opens for special astronomical events such as meteor showers. A 45-60 minute lecture is presented rain or shine followed by observing with the club telescopes when the weather permits.

UACNJ Observers, are required to help out during at least four of these public presentations as well as at least one special event. A minimum of four team members (including at least one Team Leader) should arrive at 7:30 PM on the nights assigned.

Training sessions will be provided for all Observers. The final duty night assignments will be posted on the UACNJ mailing list.

Observers must also help to maintain a secure and clean observatory facility.

Please indicate which team you would like to work with based on the schedule below.
